Quality Ingredients...Delicious Pizza

Dining on Hillside "take & bake" Pizza, is a real treat. Our appetizing pizza crust is made from certified organic flour, organic virgin olive oil and sea salt which combine for just the right mix of flavor and texture. All pizzas are topped with a delicious triple blend of hormone free Cabot cheddar, mozzarella and parmesan cheeses. Organic tomato, farm fresh basil pesto, tangy sundried tomato pesto and asiago almond pesto offer an array of mouth watering sauses and tastes to choose from. Pizzas are hand made locally, fresh, and in small batches. When available, vegetable toppings are locally grown organic and in the growing season picked from our own Hillside Gardens. Each pizza comes wrapped in a freezer bag and ready to be put in the oven on an ovenable paperboard tray. Enjoy one now and freeze another for a special occasion.
